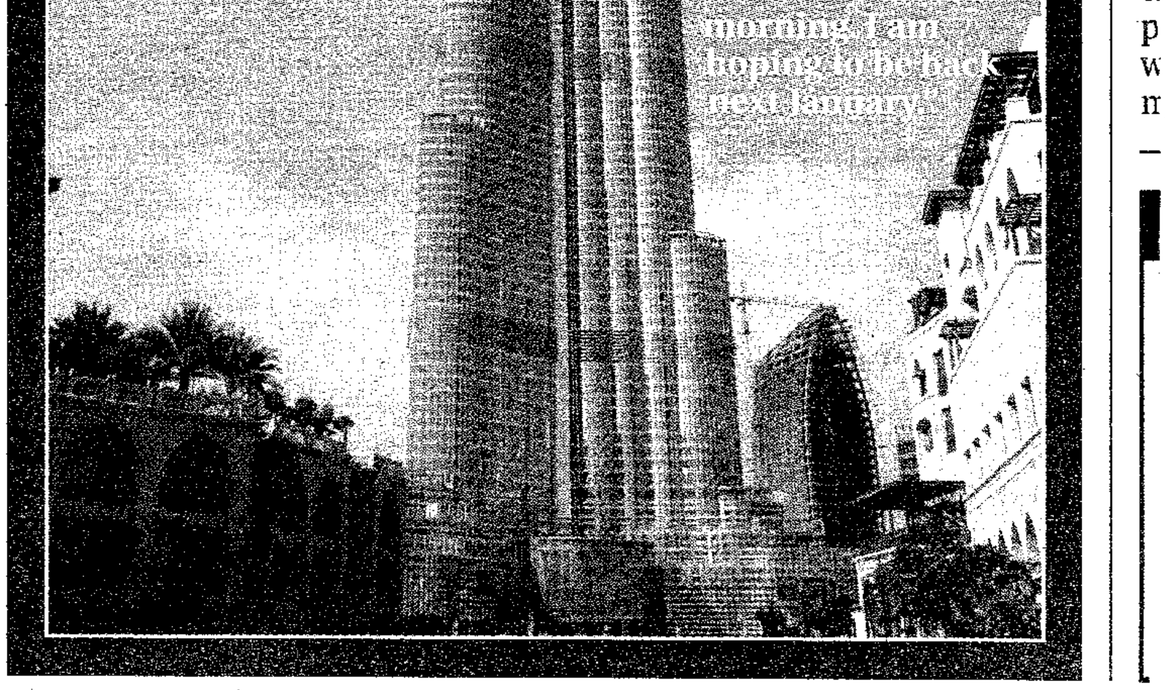
Next hop, the Burj!

TRICK cyclist Krystian Herba was wheelie delighted yesterday after breaking the bike bunny-hopping record at the tallest hotel in the world.

The 30-year-old Pole jumped 2040 steps in Dubai's Rose Rayhaan before revealing he's now setting his sights on the Burj Khalifa.

Herba said: "I have more left in me. Tom Cruise did the Burj Khalifa and he's not a sportsman, so I hope I will be able to do it next year.


"I was in talks this morning. I am hoping to be back next January."
